Time to stop eating corn Flakes wonderful for the whole family

Nature rebels against heavy foods in warm weather. Much illness in summer is caused by overtaxing the stomach. Change your diff—and keep snappy in mind and muscle!

Kellogg's Corn Flakes with cold milk and fresh fruit are wonderful for the hot days—for breakfast, for lunch, for supper or for "snacks." They digest without taxing the stomach and supply the nourishment the body needs.

For children, for the workers and for the aged there is no more delicious, sustaining summer food than Kellogg's Corn Flakes.

Insist upon Kellogg's Corn Flakes in the RED and GREEN package bearing the signature of W. K. Kellogg, originator of Corn Flakes. None are genuine without it!

Cooler-ana more comfortable Attractive in appearance Save the expensive leathers !

MORE Hood Canvas Shoes were worn last season than ever before. This will be another Hood season. The moment you stand in a pair of Hood shoes, there is a feeling of freedom-a new sense of comfort.

It is giving your feet a treat they deserve, after long confinement in formal leathers. By all means, give the children an opportunity to play and romp in cool comfortable canvas. The growing young feet need this.

Ask to see the Hood Lenox Sport Oxford, a smart sport trimmed model for Milady's leisure hours or the Hood Lenox Fairway, the woman's shoe for golf. Ask, also, to see the Hood Bayside Shoes, made for men, women and boys. And remember the Hood Fenway Sandal-the most popular shoe for children ever designed. Make this a cool, comfortable and economical Hood Canvas Shoe Season.
